

Curling Club Championship Eligibility Requirements

November 2019

For the 2019 - 2020 season and the national championships scheduled for November of 2020, the Curling Club Championships Rules have been updated allowing Member Associations flexibility in staging their championships and reducing any interpretation of eligibility.

The principles of this event target non-elite teams (grassroots club curlers) who regularly compete in their clubs. Teams, however, are no longer limited to being the club champion to be considered eligible.

The changes will allow Member Associations to control the number of entries in their jurisdictions. For example, Curl Sask prefers to allow any eligible team to enter the regional playdowns. Or, Curl ON prefers to restrict the number of entries per club to a maximum of one. Either is acceptable.

Curling Club Championship Eligibility Requirements – effective November 1, 2019

We trust all curling rinks will respect the intent of the spirit of the Curling Club Championships by engaging their members to participate and to represent their curling club in any process leading to the provincial / territorial championships and ultimately, leading to the Canadian Curling Club Championships. The event was created for true club-based teams. The objective is to support the development of grassroots curling across Canada.

Here are the eligibility requirements for events leading to the national Curling Club Championships scheduled for November 22-28, 2020. Curling Canada reserves the right to exclude any team that violates the spirit and intent of this event as it pertains to the rules below.

- 1) Participating curling clubs **must be** affiliated with its Provincial / Territorial Curling Association. They must be in good standing with all applicable dues to the Association paid in full.
- 2) Any competitor (including 5th players and spares) **must be** members in good standing of an affiliated curling club.
- 3) A competitor **is not** required to be a Canadian citizen.
- 4) A **5th player** may compete at any level of competition including the Canadian Championships.

If they play, they must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **No exceptions.** Any 5th player costs will be the responsibility of the team.

- 5) A team may recruit **one (1) spare** (or replacement player) at any level of competition including the Canadian Championships. The spare must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **No exceptions.** A team with a registered 5th player **may not** add a spare or replacement player.

- 6) Once a four-person team enters the club championships playdowns, a maximum of one (1) spare from the club is allowed **at any level of competition.** A team can use an eligible spare for **any game** played assuming the spare is eligible based on Rule 2). - 7) **Prime directive**
 - (a) A team must field **three of the four** original players for each game played at any level of the Curling Club Championships. "Original" means signed up and registered for league play in their club, **OR** signed up and registered for a special curling club championship qualifying event created within their club (with the permission of their Member Association). If an "Original" team only has three players, then those three players must be on the ice at all times up to and including the national championships.
 - (b) If any team had only three players all year or in the special qualifying event, the team may pick up an eligible spare who must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8..
 - (c) If a team has four players, they are good to go.
 - (d) If a team has five players during the season, one player must be designated the "5th" who, if added to the line-up, must play lead and sweep stones 3-8. **Or**, they may choose four (4) players from the 5-person team to participate as a four-player **only** team in the competition.
 - (e) If they have six or more players during the season, the team must declare four (4) players for the competition. They can pick up an eligible spare at any level and the spare must play the traditional lead position throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8. **Or** they can choose five players to advance but one player must be designated the "5th" who must play the traditional lead position

throwing the first two stones of **any and all ends** for their team and sweeping delivered stones numbered 3-8.

- 8) All four (4) competitors and any 5th or spare player **must be** bona fide residents within the geographical area of the Member Association they are intending to represent (unless granted an exception by the Member Association).
- 9) A competitor can participate for only one affiliated curling club in one season. If you lose out while playing for one club, you cannot then play for another club unless the Member Association accepts the competitor as an 5th player or spare player.
- 10) Each Member Association reserves the right to determine the number of teams qualifying from each club.
- 11) Teams must qualify under one of the following conditions:
 - (a) Regular league players, or;
 - (b) A formal club championship process, or;
 - (c) A special event to determine your Curling Club champions for your club that is not part of your formal club championships.
- 12)
 - (a) In each of Rule 11)(a)(b)(c), teams must have three (3) or more players who have played together in a sanctioned club league during the current curling season.
 - (b) Clubs that **only have** mixed or open leagues (i.e., no men's only leagues and / or no women's only leagues) **may be granted an exemption to Rule 12)(a)** allowing players to form teams for this special event. They must receive permission from their provincial / territorial Member Association.
- 13) The use of the delivery stick by any competitor (and any 5th player or spare) **is acceptable** subject to the Curling Canada rules under **Rule 19. Curling With A Delivery Stick**.
- 14) Teams who play **exclusively** in leagues where teams from different clubs compete and whose players may not be members of the club where the league is hosted, **are ineligible to compete**

for the Curling Club Championships. For example, teams playing only in a city-wide super league or major league but not curling in a regular club league. **Please** contact your Member Association if you have any concerns.

15) **EXEMPTIONS**

Each four-person team is allowed to have one (1) player who, during the previous **three (3) curling seasons (2018-2019 / 2017-2018 / 2016-2017)**, has participated in the Canadian Mixed; and/or, the Canada Cup; and/or, the Continental Cup; and/or, the Under-21; and/or, the Tournament of Hearts; and/or, the Brier; and/or, the Canadian Seniors; and/or, the Canadian Mixed Doubles; and/or, the Under-18; and/or, the Canadian Wheelchair; and/or, any Canadian Trials or Pre-Trials event; or any provincial / territorial event leading to these events. This same player may have played in a Tier 1 or Tier 2 Grand Slam event in the previous three (3) curling seasons **(2018-2019 / 2017-2018 / 2016-2017)**.

For example:

- Craig Savill plays in a Wednesday night league with three friends.
- Craig also represented Ontario last season at the Brier with his elite team.
- Therefore, Craig would be eligible for the Club Championships.

The other three (3) team members of Craig's Wednesday team, however, CANNOT have played in the following:

- (a) Any Tier 1 Grand Slam event in the previous three (3) seasons. They **could** have played in a Tier 2 Grand Slam.

Threshold: Therefore, if you **are not the 'one'** player on the team without any

restrictions, you and/or the other three players and any 5th players and any spares may have competed in any provincial / territorial championship **in the previous three (3) seasons (2018-2019 / 2017-2018 / 2016-2017)** and still allowed to play in the Curling Club Championships, as long as you don't match or surpass the thresholds set by your province (see chart).

As example, if you competed in the **provincial** Tournament of Hearts in Manitoba and you finished 8th or better You **cannot** play in the Curling Club Championships based on this chart. If you had finished 9th or worse, you would be cleared to play.

curling club championships in Miramichi, NB, then you cannot participate at any level to compete in **2019 in Leduc**. Or, if you have won the right to represent your province or territory at the 2019 event in Leduc, you cannot play at any level for the right to play in 2020.
