

February 12, 2020

Dear curlers and other stakeholders,

Due to serious facility and ice issues that have recently been reevaluated and deemed as improper for a provincial championship, please be advised that Curling Alberta's 2020 Mixed Provincial Championship will be relocated to the Oilfields Curling Club in Black Diamond. The event, which was originally to be hosted in High River, will still be played on the same dates, from March 25-29, 2020.

We apologize for any inconvenience this may cause to the teams, their supporters, and their travel plans. We have endeavored to manage this situation in a way that causes the least disruption to the competition, and we are confident that the playing conditions at the Oilfields Curling Club will be excellent.

We extend our sincere thanks to the Oilfields Curling Club for stepping up to support this event. We will also be extending our support to the curling club in High River to aid in their efforts to resolve the ongoing challenges facing their facility.

Our best wishes to all the athletes the best of luck in the competition. We look forward to seeing our curling fans supporting the competitors at Mixed qualifiers as they work their way towards being named provincial champions. The winner will represent Alberta at the 2020 Canadian Mixed Championship hosted by the Canmore Curling Club.

If you are interested in volunteering as a timer or in another capacity, please email Britney Andersen at britney.andersen@curlingalberta.ca.

Yours in sport,
Curling Alberta
