

## APPENDIX:

# Curling Alberta Masters (Men's and Women's)

See below for competition specific details. The rules and details contained in the main body of the Competitor's Guide apply to this competition. In the event there is a perceived conflict between the Competitor's Guide and this appendix, this appendix is considered to take priority.

---

This appendix is subject to further review and evaluation on, at minimum, an annual basis. Teams competing in a Curling Alberta Provincial Qualifier do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championships, until they are eliminated.

In effect, this means a competitor may enter the Masters category and another category (e.g. Seniors if eligible and/or Women's/Men's) as long as there is no date conflict up to and including the Provincial Championship.

The draw and schedule for the Provincial Qualifiers and Provincial Championships will be supplied to all teams and posted on the Curling Alberta Website. Reference the Draw Policy on the Curling Alberta Website for details on the draw making procedure and seeding process.
