CURLING ALBERTA PARTNERS WITH CURL BC FOR VIRTUAL CLUB DEVELOPMENT WEBINAR SERIES

Curl BC and Curling Alberta have partnered to present a series of one-hour webinars covering topics that will help you raise your club operations to the next level! The interactive webinars will feature guest speakers who are experts in their field as well as some experienced club managers. This is a great opportunity to work together to solve similar issues and to form networks with other managers and board members. All Curl BC and Curling Alberta Member Club staff and volunteers are encouraged to participate. A fee of \$25 per club will be charged and will allow each club to register up to 5 participants for all 8 webinars. Once your registration is complete you will receive zoom links for each webinar.

BUSINESS OF CURLING
