Teams competing in a Curling Alberta Provincial Qualifier do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championships, until they are eliminated. In effect, this means a competitor may enter Club Championship category and another category (eg. Women's or Men's) as long as there is no date conflict up to and including the Provincial Championship.

In summary, twelve provincial berths (in each gender) are awarded in total.

- All of these berths are 'standard berths' awarded through the Provincial Qualifiers. There are no pre-qualifying berths in the Club Championship category.

The draw and schedule for the Provincial Qualifiers and Provincial Championships will be supplied to all teams and posted on the Curling Alberta Website. Reference the Competitors' Guide on the Curling Alberta Website for details on the draw making procedure and seeding process.
