

APPENDIX:

Mens

See below for competition specific details. The rules and details contained in the main body of the Competitors' Guide apply to these competitions. In the event there is a perceived conflict between the Competitors' Guide and this Appendix, this Appendix is considered to take priority.

This appendix is subject to further review and evaluation on, at a minimum, an annual basis.

Teams competing in a Curling Alberta Provincial Qualifier do so with the knowledge that they must continue to play at all levels, up to and including Provincial Championships, until they are eliminated. In effect, this means a competitor may enter the men's competition and another category (e.g. Mixed Doubles, Mixed, Seniors, etc.) as long as there is no date conflict up to and including the Provincial Championship.

NOTE: Teams which may become eligible for a pre-qualifying berth on November 30th must enter by the registration deadline (November 3rd) and pay the entire entry fee, including the Curling Canada Competitor's Card fee.

Non-resident "free agents" are permitted in Curling Alberta men's competitions. Relevant rules and procedures are described in the Competitors' Guide and must follow Curling Canada guidelines at <https://www.curling.ca/residency-eligibility-rules/>. Note deadlines for applications. Free agents must also be a member of a Curling Alberta affiliated club.

In summary, twelve provincial berths are awarded in total.

- Five (5) of these berths are awarded through the pre-qualifying policy (i.e.- In order: three WCTR berths, and two Excel Points Race berths). A team accepting a pre-qualifying berth is ineligible to compete in a Provincial Qualifier. Reference Curling Alberta Provincial Berth Policy for details.
- Seven (7) additional standard berths into the Provincial Championships are awarded in total, all through the Provincial Qualifiers.

The draw and schedule for the Provincial Qualifier and Provincial Championships will be supplied to all teams and posted on the Curling Alberta Website. Reference the Competitor's Guide on the Curling Alberta Website for details on the draw making procedure and seeding process.
