

APPENDIX:

U15 (Combined Boys and Girls)

See below for competition specific details. The rules and details contained in the main body of the Competitors' Guide apply to this competition. In the event there is a perceived conflict between the Competitors' Guide and this appendix, this appendix is considered to take priority.

This appendix is subject to further review and evaluation on, at a minimum, an annual basis.

Special note for all competitors: As per section 4 of the Competitors' Guide, Curling Alberta will require at least one parent/guardian of each player under 18 years of age to complete the online Respect in Sport – Parent Program in order for the minor to participate in any sanctioned event. Access to the RiS Parent Program registration and FAQs: <https://curling-canada-parent.respectgroupinc.com/>.

Teams competing in Curling Alberta U15 Provincial Qualifiers do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championship event, until they are eliminated. A competitor may enter the U15 category and another category (e.g. U18) as long as there is no date conflict up to and including the Provincial Championship.

Alternates (5th players) are not permitted in U15 competition. Substitutes or replacement players must provide proof of birth date prior to playing their first game. See section 1(B) (1) in the Competitors' Guide for more information specific to substitution and replacement players.

Please note that teams in the U15 category can include any combination of males and/or females curlers.

The draw and schedule for the Provincial Qualifiers and Provincial Championships will be supplied to all teams and posted on the Curling Alberta Website. Reference the Competitor's Guide for details on draw making procedure and seeding if applicable.
