

## APPENDIX:

# Curling Club Championships (Men's and Women's)

See below for competition specific details. The rules and details contained in the main body of the Competitors' Guide apply to these competitions. In the event there is a perceived conflict between the Competitors' Guide and this appendix, this appendix is considered to take priority.

---

This appendix is subject to further review and evaluation on, at a minimum, an annual basis.

Teams competing in a Curling Alberta Provincial Qualifier do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championships, until they are eliminated. In effect, this means a competitor may enter Club Championship category and another category (eg. Women's or Men's) as long as there is no date conflict up to and including the Provincial Championship.

In summary, twelve provincial berths (in each gender) are awarded in total.

- All of these berths are 'standard berths' awarded through the Provincial Qualifiers. There are no pre-qualifying berths in the Club Championship category.
- [Clubs with 300 or more members will have the option to enter two \(2\) teams per gender into Provincial Qualifiers.](#)
- The draw and schedule for the Provincial Qualifiers and Provincial Championships will be supplied to all teams and posted on the Curling Alberta Website.
