AUTHORITY

Curling Alberta has the authority to make decisions related to its competitions and Excel Points, as it considers necessary, to handle any situation not covered by its rules and policies.

Curling Alberta is the policy decision forum for Provincial Championships, all of the provincial qualifiers, as well as its other sanctioned events and Excel Points. All matters of concern should initially be directed to Curling Alberta's Championships Coordinator or Executive Director.

A subcommittee of Curling Alberta's Competitions Committee, known as the "Competitions Tribunal", is delegated the authority to make pre-event policy interpretations. This Tribunal is composed of three appointees who are selected by the Board annually. All decisions by the Tribunal will have a majority requirement. If only two of the three members are available for consultation, and if consensus is not achievable, the Tribunal Chair shall hold the deciding vote. If any member of the Competitions Tribunal is in a position of conflict, that individual shall be recused, and the Vice Chair of the Competitions Committee shall act as his or her replacement.

During a championship or qualifier, Curling Alberta policies and procedures interpretations are the responsibility of the Curling Alberta in consultation with the event's Chief Umpire and/or the Curling Alberta's Head of Officials. Interpretations on the Rules of Curling, are the responsibility of the event's Chief Umpire.

SPONSORS AND PARTNERS

The sponsors of curling contribute substantially to the sport. There are currently many different sponsors at the national, provincial, regional, local, and team levels. In addition, the federal, provincial, and municipal governments provide funds to our sport.

At Curling Alberta, our sponsorship agreements are continually evolving to meet both the needs of the sport and those of the sponsors. We ask you, as curlers, to recognize the importance of the support curling receives from these partners. Without the contributions of our corporate and government partners, the quality of our competitions would be greatly diminished.

Below is a list of our current national and provincial sponsors and partners:

- belairdirect
- Best Western Hotels (exclusivity)
- Boston Pizza (exclusivity)
- Curling Canada
- Government of Alberta
- Hack 2 House
- Hec Gervais Academic and Scholarship Foundation
- Kananaskis Nordic Spa
- Kruger Products (exclusivity)
- Original 16
- Optimist Clubs of Alberta
- Runback
- Sentinel Storage (exclusivity)

SECTION 1: THIS SECTION APPLIES TO ALL CURLING ALBERTA COMPETITIONS.

1.A. GENERAL INFORMATION

1. MEALS

Teams are responsible for their own meals. The Competition Coordinator or Host Committee will advise you of any functions provided (i.e. banquet, brunch, etc.).

2. TRAVEL EXPENSES

Travel expenses will be the responsibility of the teams.

3. TEAM NAME & CLUB REPRESENTATION

Team names on all provincial draws and sanctioned publications will be the last name of the skip (the person that calls the game). Teams must declare which member club they are representing; at least one player must be a member in good standing at that club. For the Club Championship the team name will be the curling centre that they are representing.

4. CONDUCT

Competitors and coaches are required to conduct themselves on and off the ice in an appropriate manner and abide by the rules of the competition. The Chief Umpire and Curling Alberta may intervene at any time if a team, player, or coach is displaying inappropriate behavior. Competitors and coaches agree to abide by the Curling Alberta Code of Conduct Policy as listed in the Curling Alberta Policy Manual available on its website.

With the exception of non-mandatory coaches and 5th players, all competitors must attend any designated competition ceremonies when held in conjunction with the competition. Competitors are required to submit their RSVP for any banquet/social provided during the event to assist the host with planning. If a competitor must be absent from the ceremonies because of illness, accident, or other extenuating circumstances, prior permission must be granted by Curling Alberta. If requested by Curling Alberta, a competitor must participate in the voting procedure for any awards. Failure to do so may result in the competitor being dealt with in accordance with the disciplinary policy as posted on the Curling Alberta website.

Curling Alberta will require at least one parent/guardian of each player under 18 years of age to have completed the on-line [Safe Sport Program](#) in order for the minor to participate in any sanctioned event. Consult Section 4 for the related policy.

5. ELECTRONIC DEVICES

In the playing area, electronic devices that provide communication are NOT permitted (e.g. cell phones, iPods, smartwatches etc.) and must be placed on silent or airplane mode only. Coaches and/or competitors are not allowed to videotape or livestream Curling Alberta featured games at a sanctioned event. The use of speed traps is permitted during the PRE-EVENT practice as long as it does not delay the practice schedule.

[Teams may livestream games that are not already being streamed by Curling Alberta. All streaming equipment, with the exception of microphones, must be on the warm side of the glass](#)

and may not interfere with the coaches'/players' area. Listening devices are permitted, however, the coach cannot have access to it during the game. Non-compliance will result in removal from the field of play, including the coaches bench.

6. TEAM MEETING

- a. For provincial qualifiers, at least one team member or coach (as listed on the roster) from each team must attend a meeting with the Chief Umpire. The meeting is one hour prior to the team's first game unless otherwise stated in the official schedule of events. If a team fails to attend as required, the team will be penalized with loss of hammer in their first game. At that time, any questions regarding officiating or rule interpretation should be presented for clarification. The competitors will be advised at this time of the level of officiating that they may expect at the event.
- b. See Section 2.A.2 for Provincial Championship Team Meetings.

7. COACHES

- a. For all categories, with the exception of U15 Boy's and Girl's, coaches must be at least 21 years of age. In the U15 category, all coaches must be 18 or older; consult the U15 Appendix for additional coaching/age criteria specific to that category.
- b. The same coaching requirements apply at all levels of competition (i.e., Provincial Qualifiers and Provincial Championships).
- c. Coaches should be named at least 10 days prior to the start of the qualifier their team is registered for.
- d. With the exception of a mentored coach situation as described below, coaches must have the following category-specific qualifications and requirements:

Category	NCCP Qualifications	Other Requirements
Women's	Competition Coach – Certified or Chartered Professional Coach	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
Men's	Competition Coach – Certified or Chartered Professional Coach	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
Mixed	Competition Coach – Certified	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
Mixed Doubles	Competition Coach – Certified	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
U20	Competition Coach – Certified	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
Seniors	Competition Coach – Certified	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver

Masters	None	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver

U15	None	Criminal Record Check plus Safe Sport. Curling IO Curler Profile & Waiver
Wheelchair	Competition Coach – Certified	Criminal Record Check, plus Safe Sport. Curling IO Curler Profile & Waiver
Club Championships	None	Criminal Record Check, plus Safe Sport. Curling IO Curler Profile & Waiver
U21 Mixed Doubles	None	Criminal Record Check, plus Safe Sport. Curling IO Curler Profile & Waiver

- e. A coach who does not meet the necessary NCCP requirements can be designated as a 'mentored coach'. A mentored coach can apply for a one-year exemption of the applicable NCCP requirements provided that a Certified Competition Coach accompanies him or her, and is on site for the duration of the event. The 'mentored coach' must have completed the two day course at minimum. The application to be mentored must be received by the Curling Alberta office at least ten (10) days prior to the start of the qualifier their team is registered for. Contact the Curling Alberta office for application instructions.
- f. In U15, U18, U20, and U21 Mixed Doubles categories, a coach is mandatory and is considered a full team member. They are expected to follow all applicable guidelines, including team substitutions & replacements. A criminal record check is mandatory. For all other Provincial Championship categories, a coach is only considered a team member specific to dress standards, and the Cresting and Code of Conduct Policies.
- g. Coaches may only coach one team at a Provincial Qualifier and Championship (e.g. a coach may not coach both a male and female team in the same category). A coach may coach teams in different categories, or coach in some categories and compete in others. However, the key stipulation here is that there can be no conflict(s) in event dates among these categories from Provincial Qualifiers through to and including Provincial Championships.
- h. Coaches must follow all dress standards, as per Section 2(A) and must adhere to the Curling Alberta Cresting Policy at all Provincial Championships. However, in the instance where a coach is being mentored, one coach must follow the dress standards as outlined and the second coach must wear clothing of a similar color or all black. Both coaches would be allowed on-ice for time-outs and pre-game/pre-event practice; the certified coach as an observer only.
- i. Seating will be provided for all coaches as outlined at the team meeting. Coaches will not be allowed to reserve seating other than what has been designated by the organizer. In venues where coaches are offered restricted seating (i.e. away from the general population), only the designated and approved coaches are allowed in the restricted area. Where the Enhanced Coaching Involvement (ECI) Project is in effect, coaches will have designated on ice seating as long as space and facility permits. Refer to the ECI document on Curling Alberta's website.
- j. Criminal Record Checks (CRC) will expire with our organization in three years. For example, if the check was completed prior to Sept 2020, you are required to submit a new one for this

curling season (2023-24). To complete your Criminal Record Check on-line, visit myBackCheck.com.

8. POTENTIAL DATE CONFLICTS

Teams competing in a Curling Alberta qualifying or provincial event do so with the knowledge that they must continue to play at all levels, up to and including provincials, until they are eliminated.

If a team member has a date conflict between a Curling Alberta Provincial Qualifier or Provincial Championship in one category, and a National or International competition where they are representing Alberta or Canada in a different category, that member can be replaced in the Curling Alberta playdown competition. [If a team has entered a pre-qualifying berth for the Provincial Championship, and is in conflict with a National or International competition, they must maintain two of three or three of four players listed on the pre-qualifying roster.](#) If a Provincial Championship team cannot maintain a minimum two of three or three of four of its original players, the team will become ineligible for advancement beyond the provincial level and the runner-up will advance in their place.

If a mixed doubles team member has a date conflict because they are representing Alberta or Canada at a national or international level in another category, he/she may be replaced on the mixed doubles team in advance of any Curling Alberta playdown competition. A mixed doubles team cannot replace more than one player.

Replacements must meet the criteria established in section 1(B)(1).

9. DRUG TESTING AND ANTI-DOPING PROGRAM

Athletes must be aware that random drug testing may occur at Provincial Qualifier and Provincial Championships. See Section 3 for more information. To identify what substances and recreational drugs are prohibited, please go to the Canadian Centre for Ethics in Sport at <https://www.cces.ca/>. For more information, refer to Curling Canada's Website: <https://www.curling.ca/team-canada/hp-athletes/policies-guidelines/anti-doping-program/>

1.B. TEAMS

Excluding Mixed Doubles and U21 Mixed Doubles, a team must register with a roster of four original players (as of the registration deadline). That team must maintain two (2) of three or (3) three (3) of four (4) up to and including the competition as well as two (2) of three (3) or three (3) of four (4) rostered players on the ice at all times during the event. This means at every end of every game. If the team chooses to also name an alternate or replacement, that player is not considered as one of the four originally rostered players. The only exception to this requirement to maintain two of three or three of four originally rostered players would be due to extremely rare events of illness, injury, or rare and extenuating circumstances as deemed reasonable at the sole discretion of the Chief Umpire at an event.

Teams may also name an alternate for all categories, except U15, U21 Mixed Doubles, Mixed Doubles, and Mixed. Coaches must be identified and are considered a member of the team for U15, U18, U20 and U21 Mixed Doubles competitions as per section 1(A)(7) of this guide. Coaches must be registered with the team prior to the registration deadline.

1. ALTERNATES, SUBSTITUTIONS AND REPLACEMENTS

- Alternates, substitutes, and replacements must:
 - meet eligibility requirements as per section 1(B)(1); specifically age, gender and residency;
 - be affiliated with a Curling Alberta member club; and
 - [with the exception of Masters' \(men and women\)](#), alternates and replacements must not have competed in any level of competition within that category as a registered player. That is, subs may play for more than one team and at different levels in a category as they are not considered registered players. It is the team's responsibility to ensure eligibility is met.
 - [Consult the Masters' category appendix for more information on this category.](#)
- The Curling Alberta office must be notified of any changes to the team by email, including addition of an alternate or a substitute or replacement of a coach or a curler. Changes are subject to an administration fee and must follow the procedure noted below in point 6.
- Once competition has begun, it is the team's responsibility to inform the Chief Umpire of any substitute or roster change prior to stepping onto the ice. Changes are subject to an administration fee and must follow the procedure noted below in point 6.
- a. Alternates (5th Players)

Alternates are not permitted in U15, U21 Mixed Doubles, Mixed Doubles and Mixed team competitions.

 - i. An alternate player may be declared on the team's entry form at registration or within 24 hours after receiving a qualifying berth, otherwise the change is subject to an administration fee. An alternate cannot be added during an event, except with Chief Umpire approval.
 - ii. Alternates are considered team members and are expected to follow all guidelines with the exception of team obligations referenced at section 2(A)(3). Note, dress standards, cresting, and code of conduct policies will be strictly applied to alternate players.
 - iii. Teams that name an alternate are expected to exhaust their lineup before adding a substitute or replacement.
 - iv. Alternates may play in any game, at any position on the team;
 - v. Expenses of the alternate player shall be the responsibility of the team; and
 - vi. Teams continuing on to national events will be subject to the rules of the body governing the national event regarding alternates.

Note: Although it is permitted, Curling Alberta does not encourage the use of an alternate at the younger categories (U18 and U20) wherever possible. Rather, players are encouraged to find a team on which they can gain regular playing experience.

- b. Substitute
 - i. A substitute is a temporary player, replacing a player on a game by game basis. The substitute can play in any position unless otherwise stated in the category appendix. The original player may return to any game at any level of competition; and
 - ii. A substitute may be utilized at any time for any reason provided he/she is eligible, and is not a member of another registered team (including alternates) at any level of competition within that category. Substitutes cannot compete for more than one team at the same time.
 - iii. In Mixed Doubles or U21 Mixed Doubles competition, a substitute is not permitted. In the event any one mixed doubles competitor becomes unable to compete, the team would be required to replace the player prior to the start of competition. If both original players are absent, the team is disqualified.
 - iv. In Mixed competition, a spare pool will be provided at the Provincial Championship. The

substitute or replacement player must be the same gender as the missing player and play either position appropriate for his/her gender. Spare pool will be further defined in the Mixed Appendix.

- c. Replacement
 - i. A replacement is a permanent substitution, and the original team member being replaced will no longer be eligible to compete. This action is considered a roster change and is subject to an administration fee (point 6 below). The amended roster will be used for any subsequent team recognition (eg. banners);
 - ii. For Mixed Doubles and U21 Mixed Doubles, and only prior to any qualifying or provincial competition, a replacement will be granted if one team member is representing Alberta or Canada at national or international competition in another category with a conflicting date.
 - iii. A Mixed Doubles team cannot replace more than one player.
 - iv. Replacement players are considered registered players, but are not considered to be an originally rostered member.

2. REGISTRATION PROCEDURE

Curling Alberta will supply the official draw, rosters, and schedule for all sanctioned provincial qualifiers and championships.

The registration deadline for all event categories is listed on the Curling Alberta website, <https://curlingalberta.ca/competitions/provincial-qualifiers-championships>. These deadlines are subject to change which will be communicated through email, website, and/or social media.

3. WITHDRAWALS AND REFUNDS

- a. Teams may withdraw from an event prior to the registration deadline by emailing Curling Alberta (subject to an admin fee of 20% of the team's total entry costs).
- b. Withdrawals after registration deadline will not receive a refund, unless approved by Curling Alberta.
- c. Teams may amend the qualifier location they are registered for only prior to entry deadline, and must do so by emailing the Curling Alberta office (subject to a \$40 administration fee).

4. TEAM FILL GUIDELINES

The following guidelines will be applied for all Curling Alberta sanctioned events in the case where one (1) or more teams withdraw or become ineligible.

- a. Prior to the commencement of a qualifier:
 - i. The spot will first be filled with any waitlisted teams on the time of entry. A team should email their lineup to info@curlingalberta.ca prior to the registration deadline in order to join a waitlist.
 - ii. If there is no waitlist, and the team to be replaced is in a seeded position in the draw, every effort will be made to remake the draw as appropriate if time allows, and as per Curling Alberta's sole discretion. If time does not allow for the draw to be adjusted, a bye will be inserted into the vacancy.
- b. Prior to the commencement of a provincial championship:
 - i. Curling Alberta will apply its discretion when naming any replacement teams. However, it will utilize the following guidelines in an effort to apply consistent logic. The berth will be offered to:

- The last losing team in the qualifier where the berth originated;
- If there is a tie for the berth, a playoff will be scheduled where time permits and is mutually agreed by the teams. If time or other logistics do not permit for a playoff to take place (at the discretion of Curling Alberta) a coin toss will decide the replacement team.
- Consideration will go to the team or teams that lost the final berth game at the same qualifying event as the team that has withdrawn. The berth will remain in the Provincial Qualifier where the withdrawn team originated from. In the case that there is no other qualifying team, the berth will go to the qualifier with the next largest number of registrants. See Curling Alberta Provincial Berth Policy for more details.

5. SEEDING POLICY & DRAW PLACEMENT PROCEDURE

Teams will be placed in the draw based on their seeded order. Refer to appendices for full category specific seeding.

- a. Provincial Qualifiers & Provincial Championships:
 - i. The following points will be used to place teams into the draw for the following categories.

Seeding will be determined using the points two (2) weeks prior to the start of competition. where the [relevant points](#) aren't available, teams will be given zero points. Ties in points will be broken by random draw:

- For U18 and U20 categories, pre-event seeding shall occur using [Alberta Curling Tour \(ACT\)](#) in their respective divisions.
 - The Men's, and Women's categories will be seeded based on the [World Curling Team Rankings \(WCTR\)](#). [Points earned during the provincial qualifiers will not be included.](#)
 - See Mixed Doubles and U15 Appendix for related seeding policy.
- ii. [Wheelchair, Novice and Club Championship categories will be placed in the draw by random selection.](#) This random selection will be conducted by a Curling Alberta staff and will be witnessed by a third party and video recorded. The recording will be available by written request.
 - iii. [Unless the format is determined to be a full round robin draw \(not pool play\), the following categories will be randomly drawn for qualifiers and self-seeded for championships: U21 Mixed Doubles, Mixed, Seniors and Masters.](#)

[Curling Alberta reserves the right to amend the seeding procedure at the discretion of the Competitions Committee, should self-seeding bios and/or results not be submitted, for unforeseen circumstances or to place teams at key times in the draw.](#)

6. REGISTRATION AND ROSTERS

- a. Registrations for provincial qualifiers or open provincial championships will close immediately following the registration deadline.

- b. Registration information for each event prior to the registration deadline will be published online in real time and available publicly, where technology allows. Rosters are not considered official until validated by Curling Alberta.
- c. Late team registrations will only be accepted in the case of an administrative/technical error by Curling Alberta.
- d. The official rosters will be created as per the information submitted by the teams through the online registration process. The official rosters will be posted online within three days of the start of competition. These rosters will carry forward through each level of competition unless a change is submitted to Curling Alberta by email and confirmed (i.e. teams will no longer be required to accept a provincial berth by completing paperwork and confirming their roster upon qualification).
- e. Teams are responsible to properly complete and verify their registration, which is confirmed by receipt of the email from Curling I/O Support with the subject of 'Order Submitted - Curling I/O'. If you have received this confirmation, there is no need to contact the Curling Alberta office. Once this confirmation is received, all team members must ensure that they have signed the waiver for the current season and have an up-to-date curler profile in Curling I/O. For clarity, players who already have a curler profile which was created in a previous season should not create a new one.
- f. Curling Alberta must be notified of any changes to the roster with the addition of a coach, alternate or replacement by email. [To clarify, the office does not need to be notified if there is a position change within the originally registered roster.](#) It is the team's responsibility to ensure eligibility. Roster or registration changes are not considered valid until verified by the Curling Alberta staff or Chief Umpire in writing.
 - i. It is the team's obligation to ensure the coach is listed on the official roster prior to the start of the event. If the coach is NOT listed, the umpire or Curling Alberta staff should be notified immediately. When time does not permit to confirm coaching eligibility, the coach and skip are required to sign the eligibility declaration.
 - ii. When requested, coaches are required to show proof of their NCCP number and Criminal Record Check. When time does not permit, the coach is to sign a declaration and may be required to provide proof to Curling Alberta after the event.

- g. Roster changes are subject to the following administration fees:

If submitted prior to registration deadline	\$0
If submitted between the registration deadline and event completion	\$40
If submitted within 1 business day after winning a provincial berth	\$0
If submitted after the period described above	\$100

- h. If there are no qualifiers prior to the provincial championship, roster changes are subject to the following administration fees:

If submitted prior to registration deadline	\$0
If submitted between the registration deadline and 10 days before the start of the event	\$40

If submitted within 9 days of the start of the event	\$100
--	-------

- i. Official roster changes are not permitted during an event, except in special circumstances as approved by the Chief Umpire. Rather, if an injury or illness occurs during an event, teams must first utilize a substitute if alternate is not already named.

7. PRE-COMPETITION PRACTICE

- a. Provincial Qualifiers:
 - i. Practice ice may be available prior to competition. Arrangements are to be made by the teams directly with the host, with the expectation that they will not practice on ice that they are scheduled on for their first game. Instructions will be emailed to the skip and/or coach. Dual events are considered one event. ie. U18 boys may start a day earlier than the girls (based on entries) but the girls practice must take place prior to the boys event starting.
- b. Provincial Championships:
 - i. When pre-event practice is sanctioned, the schedule will be provided by the Host Committee. Sanctioned practice is mandatory at all Provincial Championships, unless otherwise stated.

8. DRAW-MAKING

Draws will be created based on the formats stated in the specific category appendices and the Provincial Berth Policy.

- a. Draws will be created and approved by Curling Alberta.
- b. At minimum, the official draw and roster will be emailed to the skip and/or coach (U15, U18 and U20/U21 events) of each team at least one week prior to the start of competition. The host committee and umpire will receive the official draw and roster at this time as well.
- c. The draw and roster will also be published on the Curling Alberta website three (3) days prior to the start of competition. If there are any delays due to unforeseen/unavoidable circumstances, Curling Alberta will advise affected teams of the reason for the delay and the estimated time of completion.
- d. The official draw, including draw times, is subject to change after being published. If any changes are made, teams and the host committee will be notified by email.
- e. The Chief Umpire will be responsible to allocate ice during the competition after the first draw (which will be assigned by Curling Alberta). This information will be posted publicly at the host club, and not on the online scoring. Any issues or concerns should be brought to the attention of the Chief Umpire, whose decision will be final and unappealable. Once the draw is posted at the host club, changes may be made by the Chief Umpire in consultation with the Competition/Championship Coordinator.

Although Curling Alberta will make every effort to follow this policy, publication deadlines may change due to unforeseen circumstances in which case, Curling Alberta will rectify the issue and publish the draw as soon as possible.

1.C. RULES AND REGULATIONS

1. GENERAL

Curling is based on a code of ethics, good sportsmanship and personal integrity. Players and coaches are expected to follow this tradition and the rules of the game throughout the

competition.

All Provincial events will be played under the "Rules of Curling for Officiated Play" as specified in the latest edition of the rulebook published by Curling Canada (CC) including all subsequent rule changes and interpretations adopted by CC as of the start of the competition. - d. A sweeping device broken during the game cannot be replaced, except at the sole discretion of the Chief Umpire.
- e. A substitute entering a game must use the sweeping device of the player they are replacing.
- f. All equipment is subject to random inspection.
- g. Equipment penalties:
 - i. If a player uses an illegal brush head, the game is forfeited AND:
 - For a 1st offense, the offending player is removed from the game and cannot continue in the specific competition - they cannot be replaced.

 - ii. A curler who is exempt from paying a fee identified in point (i) above by virtue of a life membership or award offered by a Curling Alberta affiliated curling club, curling centre, curling association or equivalent.
 - iii. A curler who has paid league dues or similar registration fees to a Curling Alberta affiliated curling club, curling centre, curling association or equivalent, within which is included a membership fee or an inferred membership privilege in such curling club, curling centre, curling association or equivalent.
- b. And further, that for the purpose of defining a "curler" as described above:
 - i. A "curler" means a regular curling participant who plays, on average, biweekly or more. A "curler" does not include a participant who only curls in a bonspiel, a private event or on sporadic occasion where they are not individually registered with the curling club, curling centre, curling association or equivalent.

- ii. A "curler" does include participants in playdowns who may or may not play in a regular scheduled league but who are fully paid members, representing a curling club, curling centre or curling association at Curling Alberta sanctioned competition.
- iii. A "curler" can be a member of more than one curling club, curling centre, curling association or equivalent, but will only be identified as a member once within Curling Alberta.

2. SAFE SPORT

Curling Alberta is pleased to begin its partnership with the Coaching Association of Canada to provide Safe Sport, an educational tool that will further our commitment to fostering a safe and fun environment for all participants. Consult Section 4 for "Safe Sport" Policy.

3. GAME DURATION

Game duration for Provincial Championships is further defined in section 2(C)(1).

- a. Timing:
 - i. All games may be timed. Consult specific Appendices for details. The penalty for violation will be enforced as per the Curling Canada Rulebook. If games are NOT timed, the Umpire will enforce 'pace of play' per the rule book to assist with keeping the games on schedule.
 - ii. The between-end break shall be to a maximum of 60 seconds.
 - iii. Where Enhanced Coaching Interactions (ECI) is in effect, timing may vary slightly, however it is the responsibility of the team to ensure a pace of play is maintained.
- b. Time-outs:
 - i. Each team may request two (2) timeouts per game (unless using ECI. [See ECI documentation](#))
 - ii. Each timeout will be 60 seconds in length and travel time may be added for the coach or alternate to access the playing area.
 - iii. The coach or alternate player who requested the timeout may access the playing area adjacent to or at the end of the sheet but shall not access the playing surface.
 - iv. The team that did not request the timeout may communicate for the same amount of time as the coach who called the timeout, however, they must stay at the home end. They shall not cause any delay to the stone being delivered.
 - v. Umpires may call a timeout at any time. If a player is allowed to replay a stone, the time clock will not operate. When an end is replayed, the clock is reset to the time recorded at the completion of the previous end.
- c. Extra Ends:
 - i. If extra ends are required, each team will be given one (1) timeout per extra end. Timeouts cannot be carried over. Consult specific Appendices for details.

4. PRE-GAME PRACTICE (exception: Mixed Doubles & U21 Mixed Doubles)

- a. Prior to the start of a game, teams are permitted a nine (9) minute practice with their stones.
- b. For all competition formats that are not a full round-robin, including pool play, a flip of the coin will determine stone colour or practice session.
- c. For full round robin competition formats, the team listed first (or on top) will be assigned dark colored handles and will begin practice 30 minutes before the draw. The team assigned light colored handles will begin their practice 20 minutes before the draw.
- d. Pregame practice will consist of a team delivering a maximum of eight stones up and all eight stones back during a nine minute practice. Each stone is delivered twice only. Teams may deliver all eight (8) stones regardless of number of players (ie. three (3) players may deliver all 16 stones in practice).

- e. Practice sliding after completion of the practice is not permitted.
- f. Practice is not allowed after round robin games (including evenings), except as noted below.
- g. If a playoff team has a bye to the final game, they may access a 30-minute practice before and/or after the semi-final, depending on draw times. The scheduling decision of the Chief Umpire will be final.
- h. For Mixed Doubles categories, consult specific appendix.

5. LAST STONE DRAW (LSD)

- a. Last stone advantage (hammer) in the first end will be decided by a draw to the button following each team's pre-game practice.
- b. LSDs will be delivered toward the home end only.
- c. First practice teams deliver the LSD stone in the clockwise rotation and the second practice teams deliver the LSD stone in the counterclockwise rotation. If a team delivers the wrong rotation, they receive a maximum distance of 185.4 cm (or 199.6 if a laser is used)
- d. A maximum of one minute will be given to deliver the LSD. One player delivers a stone with a broom holder and full sweeping to the home end. Stones not delivered within the one (1) minute will be assigned a distance of 185.4 cm.
- e. All stones finishing in the rings will be measured. Stones that do not finish in the rings are recorded as 185.4 cm (6 ft. 1 in).
- f. A stone that is moved by a team member, prior to the measure, will be assigned the distance of the next defined circle away from the button.
- g. Stones that finish so close to the tee that they cannot be measured are recorded as 0.0 cm. If the measuring device can be placed in the pinhole but no measurement is possible, half the value of the lowest measurable distance will be used (except if triangulation measurements are done with a laser).
- h. The team with the lesser LSD distance has the choice of delivering first or second stone in the first end. It is assumed that the team winning the LSD will want the last stone in the first end and therefore deliver second. If there is any time that a team does not want the last stone if they win the LSD, then they must inform the Umpire before the start of the first practice.
- i. The least favorable (longest distance) will be eliminated from the team's final Draw Shot Challenge (DSC) total; the remaining LSD's for the team determine the final team ranking (DSC).
- j. This final team ranking will be used for unresolvable ties in playoff scenarios (when head to head records result in a tie or ties).
- k. There may be a predefined per player delivery requirement(s). Consult specific event appendix.
- l. In the event a team covers the center pin hole or does not finish in the rings, then a second team member will be required to deliver a measurable stone. The second stone will be used for LSD (hammer) purposes only (unless triangulation measures are used).
- m. Coaches and fifths are not allowed to stand on the ice during the delivery of the LSD. The opposing team should remain behind the glass or scoreboard until after the LSD has been delivered (applies to both practice sessions).

6. PENALTIES AND RULE ENFORCEMENT

All competitions are played under these rules, those contained in category appendices and the "Rules of Curling for Officiated Play" as specified in the latest edition of the rulebook published by Curling Canada (CC), including all subsequent rule changes and interpretations adopted by CC or Curling Alberta as of the start of competition.

NOTE THERE ARE NO WARNINGS FOR ANY INFRACTION UNLESS IT IS STATED IN THE RULEBOOK OR BROUGHT TO YOUR ATTENTION BY THE CHIEF UMPIRE OR CURLING ALBERTA PRIOR TO THE START OF COMPETITION. THE CHIEF UMPIRE MAY SUSPEND A PLAYER OR COACH FROM PLAY.

2.A. GENERAL INFORMATION

It is the players' responsibility to ensure they read the script so they are familiar with the competition prior to the start of competition.

3. TEAM SPONSORSHIP

At the same time, Curling Alberta recognizes the importance of team sponsors and values their participation in the sport. Curling Alberta will review the prominence of team sponsors at Provincial Championships, and revisions will be reflected in this guide annually.

The following are commercial opportunities (and restrictions) available to teams entering a Provincial Championship. Contact the Curling Alberta office for further clarification.

6. ALTERNATES, SUBSTITUTIONS & REPLACEMENTS

Game Observers (On-ice Observers) – Game observers may be positioned at the end of each sheet of the ice for the main purpose of observing all play and updating scoreboards.

Umpires will use a triangulation laser measure if a stone covers the pin in the Last Stone Draw and can also use the triangulation at arena events when two (2) stones are so close to the tee centre that a micrometer cannot be used. This would replace a visual measurement but LSD holes must be drilled at Home and Away ends by the host committee in order for this method to be utilized.
