## The Growth of Stick Curling in Alberta

Stick curling is surging in Alberta, where 8% of curlers now use the stick delivery, making it the fastest-growing curling format in the province. Alberta is home to Canada's largest stick curling community, with St. Albert Curling Club hosting 13 leagues and over 250 stick curlers. The Alberta Stick Curling Association continues to expand interest through the Alberta Stick Curling Tour, sponsored this year by Olson Curling.

The 2025 Alberta Stick Curling Championships will take place February 28–March 2 at the Grande Prairie Curling Centre, with Men's, Women's, and Mixed categories. Sponsored by Pomeroy Hotels, the event is open for entries at [albertastickcurling.ca](http://albertastickcurling.ca). Shortly after, the Canadian Stick Curling Championships will also be held in Grande Prairie from April 2–6, welcoming both provincial champions and open entry teams to compete in Open and Women's divisions. With 72 teams expected, it will be one of the largest stick curling championships to date.

This season, Curling Alberta is launching a new club championship for stick curlers, allowing each club in Alberta to send a representative, with the winner earning a spot in the Canadian Championships. The Championship will be held February 21-23, 2025, at the Didsbury Curling Club. Further details on the championship structure will be announced soon, providing clubs across Alberta a chance to participate in this provincial showcase.

Inside Curling will also host the world's largest stick bonspiel at the Saville Community Sports Centre from April 23–26, 2025. Open to all stick curlers, the bonspiel offers a substantial prize pool of \$10,000. Teams can register at [kevinmartincurling.com](http://kevinmartincurling.com), with a \$300 entry fee. This global-scale event is set to further elevate stick curling's profile in Alberta and beyond.

## Linda Wagner from Calgary Curling Club Inducted into the Governor General's Curling Club

Alain Deschatelets, Linda Wagner, Bonnie Morris and Fran Todd

Linda is among ten new inductees honored for lifelong contributions to curling, recognized for her volunteerism and success on the ice. Her volunteer work began in 1980 and spanned four decades, during which she supported curling in countless ways. Linda started curling in Saskatchewan in the mid-70s before her career in Alberta. In 1974, she secured her first major win as a Saskatchewan Provincial Champion, playing third for the Emily Farnham Team, which went on to claim the national MacDonald Lassie Championship in Victoria.

Her achievements since then are remarkable, including multiple Provincial titles and six Canadian Championship appearances, where she won two gold medals and medaled in four others. In recognition of success, Linda and teammates were inducted into the Saskatoon Hall of Fame in 1993 and the Saskatchewan Sports Hall of Fame in 2007. Beyond her competitive career, she dedicated herself to coaching juniors and promoting curling through various executive roles at Calgary-area clubs. As a high school teacher in Saskatoon, she helped introduce curling into special physical education classes. Linda chaired the Autumn Gold Curling Bonspiel three times, an event still going strong since its inception in 1977. In 2000, she received the Ray Kingsmith Award for her volunteer contributions. Today, Linda's enduring impact on the sport is celebrated with this well-deserved honor.

# MEDICINE HAT CURLING CENTRE REOPENS AFTER TWO-YEAR WAIT

The newly-renovated Medicine Hat Curling Centre — renamed RME Place after its flagship sponsor Rocky Mountain Equipment — was officially opened on Friday when longtime curler Cliff Landsiedel threw a ceremonial first rock.

“It’s just a great honour to be able to do this for the club,” said Landsiedel, who has been a member of the club for a quarter-century.

“I really appreciate this,” the 90-year-old curler added.

The club was forced to cease operations in fall 2022 due to the poor condition of the ice caused by problems with the brine lines located under the concrete slabs.

The curling club was approved last December for a \$870,000 grant from the Alberta government through its Community Facility Enhancement Program. Between the grant, selling the building to the City of Medicine Hat and fundraising efforts, the curling club raised over \$1.7 million to get the facility running again, general manager Bryden Smith said.

It was a big effort by the community to get the club back on the ice and Friday’s reopening of the curling centre brought a sigh of relief for Smith.

“It just feels like we finally crossed that finish line we’ve been racing towards and it’s really good to see everyone back and out curling,” Smith told CHAT News.

It was a throw about two years in the making that kicked off the long-awaited return of the Medicine Hat Curling Club. It wasn’t long after Landsiedel slide the rock down the ice that an inaugural tournament got started with dozens of curlers filling the sheets.

Smith is looking forward to relaunching

## The Hat is Back!

the local curling scene with new events and by attracting the next generation of curlers. “Our goal is to try and get new curlers out. We’ve been in contact with the schools to get them all gym classes or to get high schools out and curling competitively,” he said.

Smith also wants to create a welcoming atmosphere for those who curl to have fun. “We’d really like to expand our facility, see more curlers and bring a general positive and relaxed recreational vibe to the facility where it’s not about winning or losing,” he added.

“It’s about having fun and making good memories.”

### Reopen = Rebrand

The Medicine Hat Curling Club has rebranded as the Medicine Hat Curling Centre, aiming to become a more accessible and welcoming space for the entire community. This shift comes ahead of the Centre’s reopening, planned for October, following a two-year closure caused by a brine leak. New general manager Bryden Smith notes that the rebrand is meant to

move beyond the “club” label, inviting people of all backgrounds to enjoy the facility’s offerings, including its renovated lounge, new quartz bar, updated lighting, and other modern touches. The Centre has also preserved its history through a dedicated section on its new website and added historical memorabilia throughout the facility.

To encourage community involvement, Smith is focused on expanding youth participation by collaborating with local schools, revitalizing the junior coaching program, and adopting new coaching technologies. The Medicine Hat Curling Centre’s new ice plant and ice mats are set to be installed soon, marking the final step before it reopens. Smith emphasizes that while the aesthetic upgrades have modernized the Centre, the board remains committed to celebrating the facility’s history, making it a fresh yet familiar start for members and newcomers alike.

## OFFICIALS' CORNER

### Welcome Back, Curling Alberta Umpires!

Curling Alberta is delighted to welcome back all our dedicated umpire volunteers for the 2024/25 season! We have an exciting schedule ahead, featuring over twenty provincial qualifiers and twelve provincial championships. None of these events would be possible without the hard work and commitment of our volunteers who serve as timers and umpires. Your countless hours of support are deeply appreciated and never go unnoticed.

This season, we're thrilled to introduce a new event: the Provincial Stick Club Curling Championship. With the growing popularity of stick curling, we're excited to host this inaugural event in Didsbury from February 21-23, 2025.

### What's New This Season:

Curling Alberta will align with Curling Canada's rule changes, allowing teams

in all adult categories (excluding Masters) that advance to national championships to request only one 60-second timeout per game.

The playoff format for Curling Alberta championships (Senior Men, Master Men, U18 Men, and Women) will transition to a four-team page playoff, replacing the previous three-team format.

The Women's Championship will expand from an eight-team round robin to a twelve-team triple knockout format, with four teams advancing to a page playoff.

Curling Alberta recently held its first of two annual fall regrouping meetings for umpires on October 5th at the Calgary Curling Club, which included an on-ice training session. The second meeting is scheduled for October 19th at the Granite Curling Club in Edmonton. A special thank you to the Calgary Curling Club for their hospitality—we look forward to reuniting at the Granite Curling Club!

## 2025 MEN'S ALBERTA BOSTON PIZZA CUP, PRESENTED BY BEST WESTERN!

The Erskine Curling Club will host the 2025 Alberta Boston Pizza Cup, presented by Best Western, February, 5 - 9, 2025, at the Stettler Recreation Centre in the Blue Arena.

Erskine is a small hamlet in Stettler County No. 6, located 12km west of Stettler. Known as the "Heart of Alberta," Erskine is a family orientated community with lots to offer, it has a general store/restaurant, Post office, and park. Erskine is 10 minutes from Stettler, 40-minute drive from Red Deer and has a rich history in agricultural heritage. There are plenty of outdoor recreational activities for fans and their families to enjoy, including a visit to nearby Buffalo Lake, or the chance to see the world's largest lamp, only 30 minutes away in the Village of Donalda.

The Erskine Curling Club and host committee are eager to welcome one of Curling Alberta's flagship events to their community, the 2025 Boston Pizza Cup Presented by Best Western Hotels & Resorts.

"Erskine Curling Club is thrilled to work with Curling Alberta as the host of the 2025 Boston Pizza Cup Presented by Best Western Hotels & Resorts," said Miles Armstrong "This historic men's curling Championship event will be held February 5 to 9, 2025 at the Stettler Recreational Centre, 10 minutes away from our hamlet. Erskine Curling Club is an old rink in a small town of 320 people and has 120 members. The Club has always had a robust following for our amazing bonspiels throughout our 71-year history. Our volunteers are lining up and ready to put our spin on this fantastic event."
