Dear Friends and Curling Enthusiasts,

It is with great pride and enthusiasm that I extend my warmest greetings to all participants, spectators, and supporters of the Alberta Women's Curling Championships, taking place in our wonderful community of Rimbey from January 21 through January 26, 2025.

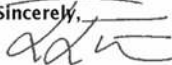

This prestigious event not only highlights the exceptional skill and sportsmanship of female curlers but also embodies the spirit of community and inclusivity that makes Rimbey so special. As your MLA and Minister of Seniors, Community & Social Services, I am deeply honored to witness how this championship will showcase the talent and dedication of athletes from across Alberta, while bringing our community together in celebration.

The Alberta Women's Curling Championships are more than just a sporting event; they are a testament to the hard work and dedication of the Rimbey Sentinel Curling Championship Committee, whose unwavering commitment to creating a memorable and inclusive experience is truly commendable. Their efforts will undoubtedly leave a lasting impact, not only on the participants but also on our local businesses and residents.

As we gather to cheer on our talented athletes and celebrate the camaraderie of the curling community, let us also take this opportunity to reflect on the strength and unity of our own community here in Rimbey. The benefits of hosting such a significant event extend beyond the curling rink, fostering local pride, economic growth, and a sense of togetherness that will resonate long after the championship concludes.

I extend my heartfelt gratitude to everyone involved in making this event possible and to all those who will join us in January to support and celebrate the remarkable achievements of our female curlers. Let us embrace this exciting occasion with enthusiasm and community spirit.

Best wishes for a successful and memorable championship!

Sincerely,

She was a three-time Canadian and world curling champion and Olympic gold medalist. A mother of two, Sandra sadly passed away in 2000 at the age of 36 leaving a legacy that has a much farther reach than curling.

The Sandra Schmirler Foundation was created in 2001 by Sandra's friends and teammates.
