

U20 ALBERTA PROVINCIAL CHAMPIONSHIP

PRESENTED BY HEC GERVAIS ACADEMIC & SCHOLARSHIP FOUNDATION

**CURLING
ALBERTA**

On behalf of Curling Alberta, it is my pleasure to welcome participating curlers and coaches to the **2025 Alberta Provincial Championship, Presented By Hec Gervais Academic & Scholarship Foundation** hosted by the Red Deer Curling Centre. Our hope is that you will experience the thrill of competition and the comradery of your teammates and fellow competitors.

I would like to extend my utmost gratitude to the hosting team for their leadership in coordinating this event. To the staff and volunteers that made this event possible, we express appreciation for your dedication and energy in hosting these championships. Much of the work you do is behind the scenes and the effort can be seen in the passion you have taken to welcome everyone to your facility, the quality of the ice and attention to all the detail. Without your support, the opportunity for these athletes to compete would not be possible.

A special thank you and to all the local sponsors and partners who have helped make this championship a success!

Good Luck and good curling to all.

Gord Copithorne
President, Curling Alberta

On behalf of the Board of Directors of the Hec Gervais Academic & Curling Scholarship, I wish everyone good luck and good curling. Competing to wear AB is an honour. Alberta's youth have always been some of the best curlers in the country and I expect this week to be exceptional curling.

If you have some extra time between draws please search for the Hec Gervais Academic and Curling Scholarship on Curling Alberta's website (<https://curlingalberta.ca/hecgervais scholarship/>) and consider applying. If you know a friend or competitor who should apply, let them know about the scholarship. Our past recipients have all been in your shoes.

To our new champions, you will represent Alberta well and we will all be cheering for you at Nationals!

I hope you all find that extra gear to impress yourselves, it takes a lot of work to get here. Congratulations to everyone.

All the best,

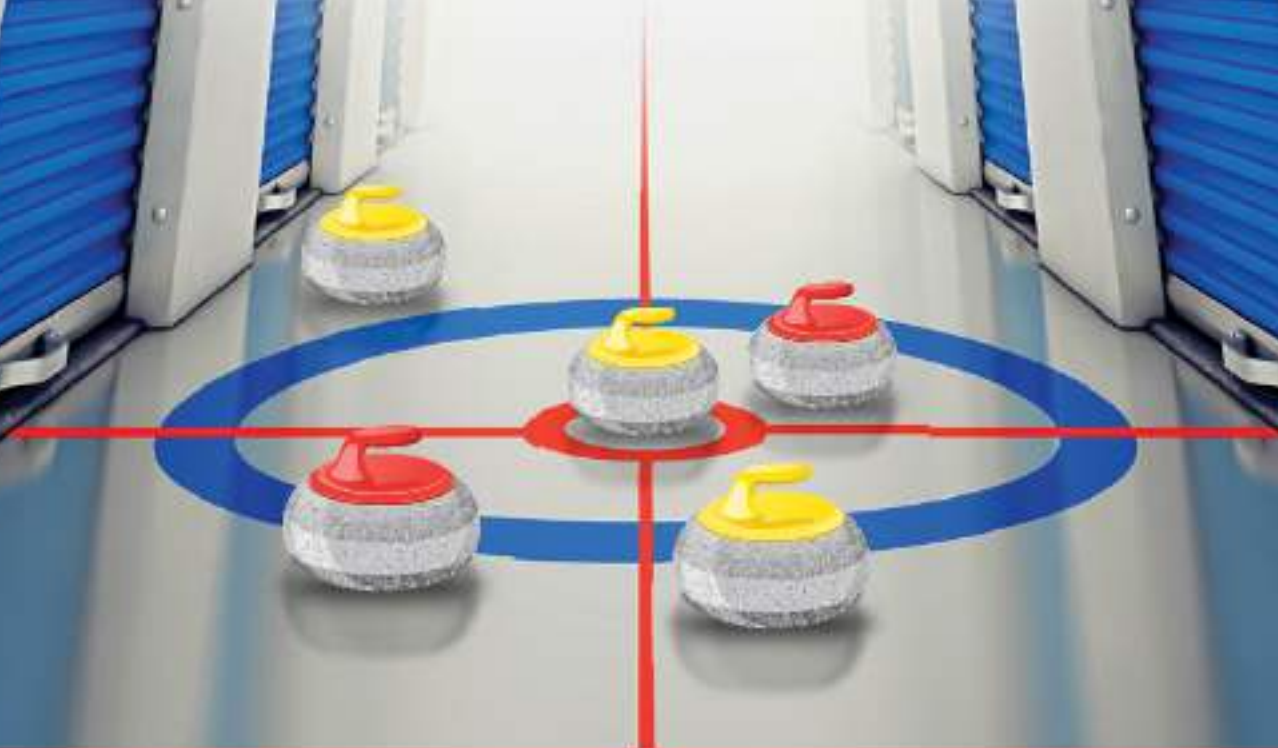

Brad Kokoroyannis
