

Original 16 Men's & Women's Curling Club Championships

By registering for the Club Championship by the February 1st deadline date, both clubs and teams need to recognize that they are expressing a commitment to compete and must do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championships, until they are eliminated.

Depending on the number of teams competing at each qualifier location, daytime curling on Thursday and/or Friday may be needed.

FAQ's

What is the definition of a Curling Club member?

- All curlers who have registered in a league at a curling club, and paid the Individual Curler Fee, are deemed eligible to compete for that curling club at the Club Championships, if they've also met all Curling Canada eligibility requirements for the category.

Do I have to play with a team all year to be eligible?

- No, teams now only need to be members of the same curling club and meet all other Curling Alberta and Curling Canada eligibility requirements.

I have a 5+ person team, can they play any position?

- Yes

What is the difference between a 5th player and an alternate?

- For the purpose of Curling Alberta competitions, they are the same thing.

What is the difference between a substitute and an alternate?

- Substitutes are temporary players, replacing a player on a game-by-game basis and may be a different substitute each game. Alternates are considered a rostered player and must be the same person for all levels of the event.

Do alternates/substitutes need to be from the club that my team is representing?

- Yes, alternates/substitutes must also be an active member in good standing of your curling club and may play any position.

If my team signs up an alternate, are we allowed to also use a substitute?

- No, if a team names an alternate for the event, a substitute **cannot** be used.

Can I change my line-up between qualifiers and provincials?

- Positions between the events may change but the curlers must remain the same.

Our club has both Men's teams and Women's teams, can I register and pay for them together?

- No, unfortunately the Curling IO program is set up to register each team separately. Two private links will be emailed to the clubs, one for the Men's teams and one for the Women's teams.

Can a junior aged team compete in the Club Championships.

- No, a minimum of two (2) players must be a minimum of nineteen (19) years of age or over as of December 31st immediately prior to the national championships.
