FOR IMMEDIATE RELEASE
July 27th, 2026

2027 RME Alberta Summit of Champions is Coming to Drayton Valley

Drayton Valley, AB – Curling Alberta is excited to announce that the 2027 RME Alberta Summit of Champions, presented by Sentinel Storage and Best Western, will be hosted in the vibrant community of Drayton Valley at the Team Auction Centre. In partnership with the Drayton Valley Curling Club, the championship will take place January 11–17, 2027, bringing Alberta's top men's and women's curling teams together for a week of elite competition, community celebration, and unforgettable moments on the ice.

Hosted at the Nelson Bros Arena within the Team Auction Centre, the 2027 RME Alberta Summit of Champions marks just the second time in Alberta history that the men's and women's provincial championships will be held together in a spectator arena setting. Building on the tremendous success of the inaugural combined championship in 2026, the event returns with even greater excitement.

The championship is expected to welcome athletes, coaches, officials, volunteers, and fans from across Alberta, providing a significant boost to local businesses while showcasing Drayton Valley as a premier destination for major sporting events.

"After the tremendous success of our first combined championship, we're excited to bring the RME Alberta Summit of Champions back for a second season," said Britney Andersen, Director of Operations, Curling Alberta. "Bringing Alberta's men's and women's provincial championships together creates an incredible atmosphere for athletes, fans, volunteers, and the host community. Drayton Valley is a passionate curling community, and we know they'll put their own stamp on this event while delivering an unforgettable championship experience."

"Our entire community is buzzing with excitement," said Bill Birnie, Host Chair, Drayton Valley Curling Club. "We can't wait to roll out the red carpet and show the province what makes Drayton Valley special. From our volunteers to our local businesses, everyone is ready to make this a marquee event on Alberta's curling calendar."

"RME is honoured to continue supporting one of Alberta's premier curling championships," said Garrett Ganden, President and CEO, RME. "The Summit of Champions celebrates excellence, teamwork, and community - values that align closely with our own. We're excited to see the event come to Drayton Valley and wish all competitors the very best."

The championship will feature Alberta's top 12 men's and top 12 women's teams competing for the opportunity to represent the province at the 2027 Montana's Brier and the 2027 Scotties Tournament of Hearts.
